Elementary Tuition Commitment and Withdrawal Policy 2025-2026

If you enroll your child in our Elementary (Kindergarten to Grade 7) program for the 2025-2026 school year, please be aware of your legal and binding financial commitment to Westside Montessori Academy Society.

It is as follows:

Once a signed *Elementary Parent Agreement* has been submitted and the \$1,500 Registration Fee has been paid, your child is registered with Westside Montessori Academy for the school year. The child is expected to attend, through to the end of the school year, and the family is expected to pay the tuition for the year the *Elementary Parent Agreement* was signed, and the \$1,500 Registration Fee was paid for.

Westside Montessori Academy Elementary School Withdrawals

Written notice of intention to withdraw a student from the school is required to be submitted by the parent(s)/guardian(s) to the Westside Montessori Academy Board of Directors and to the Head of School. Verbal notice will not be accepted.

The following financial conditions apply upon voluntary withdrawal from Westside Montessori Academy:

Withdrawal BEFORE July 1 st , 2024	Withdrawal From July 1 st to December 31 st , 2024	Withdrawal After January 1 st , 2025

Westside Montessori Academy and its Board of Directors make staffing and program decisions for each upcoming school year based on projected revenue and expenses based on the registrations that have been made. Commitments for salaries, leases and maintenance fees are on an annual basis and the absence or withdrawal of a student does not reduce operating expenses.

Westside Montessori Academy Society is a non-profit society and will take the necessary legal steps to recover any losses incurred by non-payment of any fees owed.

Any additional fees that Westside Montessori Academy Society incurs in the process to recover losses by non-payment of any fees owed will become the responsibility of the signee(s) on the *Elementary Parent Agreement* form. These fees include, but are not limited to, collection agency fees, and legal fees including court and lawyer fees.
